Club dues are \$12.00 per family per year and are due in January. Members who join after the end of September will be given a three month grace period. Therefore they will not be assessed dues for the next year. Existing members will be granted a three month grace period in which to pay their dues. If dues are not paid by the end of March the members will be taken off the active roll and the newsletter mailing list. Our dues are low and in consideration of the grace periods, a pro-rated schedule was not adopted as this would involve considerable time for our treasurer.

Make checks payable to T90 Quarrymen Car Club.
